Notre voyage

College Victor Vasarely

The image is a horizontal collage of three cityscapes. The left third shows the ornate, illuminated facade of the Antwerp City Hall (Stadhoudershuis) at dusk, with a large glass dome structure in the foreground. The middle third shows a view of the Amsterdam skyline across a canal, featuring modern high-rise buildings and a few boats. The right third shows a traditional Amsterdam canal scene with historic buildings, trees with autumn foliage, and a church dome in the background. Two seagulls are flying in the sky above the right side. A large white text overlay is centered across the middle of the image.

A photograph of a chocolate shop counter. On the left, there is a blue and white water dispenser. Next to it are several brown cardboard boxes. A person's arm is visible behind the counter. The counter itself is dark, and there are some papers and a small blue logo on it. The background is a light-colored wall with a marble pattern.
